CLEANING & MAINTENANCE

Your Wooden Garden Furniture is pre-treated with teak oil stain. It is recommended that you re-treat your furniture with a clear teak oil to seal and maintain its rich colour before use.

Cleaning.

Dampen a clean dry cloth (non-scratching and preferably microfibre) with water and gently wipe the surface. The moisture will collect the dust and prevent any flyaway dust particles.

CAUTION:

Avoid using any abrasive cleaning solvents on the Wooden Furniture as this may damage the surface.

IMPORTANT:

It is recommended that you treat your garden furniture every few months (especially before winter. Treat with a suitable all-weather wood preservative or teak oil. Follow all warnings and instructions provided with the treatment product.

Preferably store your garden furniture indoors during the winter. If storing in a shed, ensure that it is well ventilated to reduce the risk of mould growth. If storing outdoors, use a breathable cover and store off the grass to ensure the base/feet remain dry.

Your Wooden Furniture should last for many years. Taking the above steps ensures maximum longevity.
